

MINING DECARBONISATION SUMMIT 2025

SOLUTIONS TO LOWER EMISSIONS & IMPROVE ENERGY EFFICIENCY IN
MINING OPERATIONS

25-27 November 2025 | Brisbane | Australia

PARTNERSHIP PROSPECTUS

Organised by:

What is the **Mining Decarbonisation Summit** 2025?

The **Mining Decarbonisation Summit 2025** is a focused, solution-driven event designed for operational and leadership teams leading the transition toward lower emissions and smarter energy use in mining operations.

Built for operational, environmental, energy, and technology leaders, the summit explores how mining organisations can achieve, not just set, emissions reduction goals right now.

With a strong emphasis on practical, proven levers like site electrification, microgrids, methane management, hydrogen, scope 1–3 reporting, and supply chain management, the event offers practical insights that can be applied immediately to drive commercially viable and operationally feasible decarbonisation.

WHO WILL YOU MEET?

The **Mining Decarbonisation Summit 2025** brings together operational, environmental, energy, and technology leaders from across the mining, resources, energy, renewables, METS, and government sectors.

The event is designed for those in a management, senior, head, director, or c-suite role related to:

- ▶ Decarbonisation & Net Zero
- ▶ Energy, Electrification & Renewables
- ▶ Sustainability, ESG & Climate Risk
- ▶ Environmental Compliance & Reporting
- ▶ Mine Operations & Management
- ▶ Engineering & Technical Services
- ▶ Technology, Innovation, Transformation & Change
- ▶ Process Improvement & Optimisation
- ▶ Asset, Maintenance & Reliability
- ▶ Fleet Technology & Transformation
- ▶ Supply Chain Management

KEY THEMES:

Financing
& scaling
commercially
viable
decarbonisation

Leveraging
renewable energy
and battery
storage

Utilising
emerging
technologies
for next-gen
decarbonisation

Supply chain
& scope 3
emissions
management

Decarbonising
fleets, facilities &
infrastructure

Methane &
fugitive emission
abatement
and emissions
reporting

Building a future-
ready workforce

Environmental
stewardship &
site sustainability

EARLY CONFIRMED SPEAKERS INCLUDE:

Mahdi Mason
Head of Health, Safety,
Compliance & Sustainability
Sojitz Blue

Guy Boggs
Chief Executive Officer
CRC TiME

Jenny Agnew
Business Sustainability
Manager
Sedgman

Michael Williams
Sustainability
Superintendent
Bellevue Gold

Kristy Nell
Research Fellow
**Sustainable Minerals
Institute**

Why leaders and decision makers will be at the **MINING DECARBONISATION SUMMIT 2025**

- 1 Develop a clear roadmap to navigate the commercial, technical, and operational challenges of decarbonisation
- 2 Learn from real-world case studies of mining companies implementing decarbonisation initiatives
- 3 Discover how to maximise microgrids, batteries, and hybrid energy systems to reduce emissions and enhance site resilience
- 4 Stay on top of technological breakthroughs in battery-electric equipment, hydrogen feasibility, and advanced emissions monitoring tools
- 5 Explore practical solutions to tackle methane and fugitive emissions
- 6 Understand how to upskill and transition your workforce to electric and decarbonised environments
- 7 Gain strategic insights into how decarbonisation can drive long-term cost savings, resilience, and investor confidence

WHO SHOULD PARTNER?

If you provide technologies, solutions, or services that support mining leaders in reducing emissions, improving energy efficiency, or meeting sustainability targets, then you need to be at the **Mining Decarbonisation Summit 2025**.

This event brings together a highly targeted and influential audience of senior decision-makers, sustainability leads, technical specialists, technology heads, energy leaders, and innovation managers. These leaders come from mining operations, energy providers, government, engineering firms, and industry bodies.

Your ideal target market will be there, your competitors will be there, and you need to be there too.

A vast range of businesses would benefit from partnering with the Mining Decarbonisation Summit 2025, including but not limited to:

- ▶ Renewable and Hybrid Energy Solutions
- ▶ Battery Storage, Electrification & EV Technology
- ▶ Energy Efficiency Technologies and Services
- ▶ Electrification and Grid Infrastructure
- ▶ Carbon Capture, Utilisation and Storage (CCUS)
- ▶ Hydrogen & Alternative Fuels
- ▶ Engineering, Procurement & Construction Firms
- ▶ Emissions Measurement, Reporting, and Verification
- ▶ Circular Economy and Waste Reduction
- ▶ Mining Technology & Digital Solution Providers
- ▶ ESG, Sustainability & Climate Risk Consultants
- ▶ Legal, Compliance & Regulatory Advisors

WHO SHOULD SPONSOR?

Key benefits of sponsoring:

- ▶ Cut your sales and marketing lead time - get in front of decision makers in search of solutions for their decarbonisation and energy efficiency goals
- ▶ Demo your product, make immediate face to face connections and get real time feedback
- ▶ Network with your target customer and cement relationships over 2 days with multiple social and business interaction opportunities
- ▶ Position your business as a brand, thought, and solutions leader

Through consultation with our in-house marketing strategists, we will tailor a programme to suit your objectives, whether they involve thought leadership, branding, lead generation, specific one on one meetings or a more social networking event.

Sponsorship and exhibition packages are available now.

There are numerous sponsorship and exhibition opportunities available with packages designed to help you meet your marketing and sales targets. Contact **Lewis Halliday** on lewish@questevents.com.au or **+61 (0)412 678 218** or **Milad Etemadi** on milade@questevents.com.au or **+61 (0)478 195 857** to discuss how we can help you connect with your ideal audience.

SPONSORSHIP OPPORTUNITIES

TIER 1

- 20-minute Presentation
AND
40-minute Panel Session
- 2x3m tabletop display
- 4 x 2-day Conference Passes
- Access to attendee list
- Strong company branding before, during & after event

\$25k

TIER 2

- 20-minute Presentation
- 2x3m tabletop display
- 3 x 2-day Conference Passes
- Access to attendee list
- Strong company branding before, during & after event

\$22k

TIER 3

- 40-minute Panel Session
- 2x3m tabletop display
- 2 x 2-day Conference Passes
- Access to attendee list
- Strong company branding before, during & after event

\$19k

EXHIBITOR

- 2x3m exhibition space
- 2 x 2-day Conference Passes
- Access to attendee list
- Strong company branding before, during & after event

\$10k

We only work with a few select partners to maximise mutual value and these are only our basic package options.

To obtain a more bespoke package including sponsorship opportunities such as a coffee cart, networking drinks, lanyards, or any other ideas you have, please contact us to discuss how we can help you connect with your ideal audience.

*Investment rates are in Australian dollars and GST exclusive.

BRAND AWARENESS ADD-ONS (SPONSORS ONLY)

- Lanyard
- Branded registration desk
- Networking drinks
- Wi-Fi
- Coffee cart
- Conference room seat drop
